HANOI LAW UNIVERSITY

NEW CONTRIBUTIONS OF THE DOCTORAL THESIS

- Postgraduate Name: **Nguyen Ha Thanh**
- Major: Luật hình sự và tố tụng hình sự; Code: 9380104
- Thesis title: Scope and conditions of criminal liability of commercial legal person in Vietnamese Criminal Law
- Training Institution: Hanoi Law University
- Supervisors: Assoc.Dr. Tran Van Do; Dr. Le Dang Doanh

The thesis is an in-depth scientific work of the scope and conditions of criminal liability *(hereinafter referred to as **CL**)* of commercial legal persons in Vietnamese criminal law. Important new contributions of the thesis are as follows:

- The thesis has given the view on the nature of CL regulations of legal persons to ensure uniform awareness on this issue; at the same time, presenting the core contents of the two fundamental theories and theoretical models of CL of legal persons.

- The thesis introduces the concepts of CL of legal persons, scope of CL of legal persons and conditions of CL of legal persons. At the same time, presenting the bases for determining the scope of CL of legal persons, the content of the scope of CL of legal persons and the conditions of CL of legal persons

- The thesis has deeply analyzed the provisions on the scope and conditions of CL of commercial legal persons in the 2015 Penal Code; especially it points out limitations and inadequacies. Since then, solutions are proposed to choose a theoretical model of CL of legal persons for Vietnam; improve regulations on the scope and conditions of CL of commercial legal persons as well as a number of related regulations.

- The thesis has researched the practical application of legal regulations on CL of commercial legal persons in Vietnam; accordingly, proposing feasible solutions to ensure the application of legal regulations on the scope and conditions of CL of commercial legal persons.
