Training Institution: ***Hanoi Law University***

SUMMARY OF NEW RESEARCH FINDINGS

Firstly, the thesis has analyzed the concept and characteristics of the exercise of the power of prosecution in the first instance trial of criminal cases.

Secondly, the thesis has analyzed the content of the exercise of the power of prosecution before the trial, during the trial and after the trial with specific activities suitable to the scope of time and subjects the first instance trial of criminal cases.

Thirdly, commenting on and defining the close relationship between exercising the power of prosecution and supervising judicial activities. On that basis, analyzing the significance of supervising judicial activities in exercising the power of prosecution to prove the independence as well as the cohesion of the two functions in the first instance trial of criminal cases.

Fourthly, the analysis of factors affecting the quality of the exercise of the power of prosecution in the first instance trial of criminal cases will contribute to clearly identifying the causes of limitations and problems in the practice of prosecution rights and propose solutions to improve the quality of the exercise of the power of prosecution in specific cases.

Fifthly, the study of the development history of Vietnam's criminal procedure law shows the comprehensiveness of the thesis, making an important contribution to the assessment of the inheritance and systematicity of the legal provisions on the exercise of the power of prosecution in the first instance trial of criminal cases.

Sixthly, the study of the current criminal procedure provisions on the exercise of the power of prosecution in the first instance trial of criminal cases in the direction of synthesising, analysing, comparising and generalizing them in order to draw an overal picture of the current situation of the law and its practical application. Thereby, it helps legislators as well as researchers get the most comprehensive view on this issue.

Seventhly, the thesis's assessments of the current status of the law will help legislators and researchers clearly see the limitations and obstacles of the current legal provisions on on the exercise of the power of prosecution inthe first instance trial of criminal cases and the causes of such limitations and obstacles. At the same time, to ensure the systematicity and comprehensiveness, the offered recommendations contributing to the improvement of the quality of the exercise of the power of prosecution prosecution rights practice in the first instance trial of criminal cases are evaluated and analyzed from the perspective of both law improvement and other solutions.
